Forecast for Saturday 26 Jun 2021

Weather: Low cloud and patchy drizzle to start the day. Becoming increasingly dry through the morning. Cloud occasionally thinning in the afternoon with some bright spells possible. Thicker cloud in the evening may give a few spots of drizzle.

Chance of cloud free mountain/hill tops above 800m: 30% across northern Aberdeenshire and around Deeside, 60% across Perthshire hills and the Ochils.

Visibility: Generally poor in low cloud and drizzle for many, but improving to good for a few hours in the south early afternoon. Cloud bases around 700m, lifting to around the 1000m by early afternoon, but above the summits across southern ranges. Lowering to 600m in the evening.
